4. Create and use new data points derived from AeroAPI Data (the “**Derivative Works**”).
5. Use AeroAPI Data and Derivative Works for personal purposes and projects only.
6. Use AeroAPI Data and Derivative Works for research purposes within a bona fide academic setting. AeroAPI Data may be published in research papers with proper attribution to FlightAware, but only when AeroAPI Data is provided in other than raw format, either embedded in Licensee’s academic research or otherwise incorporated into Derivative Works of Licensee. The attribution shall be substantially similar to: Contains AeroAPI data © FlightAware LLC [year]. Licensee shall at all times comply with FlightAware’s Brand Guide, available at: <https://flightaware.com/about/logo/>.

Licensee Shall Not:

1. Use AeroAPI and AeroAPI Data in furtherance of any business, whether for profit or otherwise, including by employee(s), representatives, or contractors of any

- business, corporation, company, startup venture, trust, or other juridical entity.
2. Use AeroAPI by, through, for, or on behalf of any government agency or government purpose.
3. Lend, rent, sell or grant sublicenses, leases or any other rights to access AeroAPI.
4. Access AeroAPI or use AeroAPI Data for any other purposes other than as provided under this Agreement.
5. Sell, sublicense, or otherwise transfer any part of the AeroAPI Data other than except as expressly permitted in this License.
6. Reverse engineer, disassemble, or decompile the AeroAPI API or AeroAPI Data, or any password or security device used with AeroAPI, or make any attempt to discover the source code or scripts used to provide AeroAPI.
7. Modify the AeroAPI API or the AeroAPI Data without the prior written permission of FlightAware.
8. Remove any FlightAware or third-party names, trademarks, copyright notices or other proprietary rights notices.
9. Use AeroAPI access or the AeroAPI Data in any way that violates or may violate rights of publicity or privacy of any individual.
10. Use AeroAPI Data for commercial aircraft situational displays.
11. Store AeroAPI data in raw format as received via AeroAPI for a period longer than thirty (30) days from the date first received by Licensee. Derivative Works may be stored in perpetuity.
12. Use the AeroAPI Data in conjunction with or as a backfill to data sourced from any other real-time or near-real-time flight data provider without the prior written permission of FlightAware.
13. Use AeroAPI or the AeroAPI Data in any way that may infringe any copyright or proprietary interests of FlightAware or FlightAware’s third-party data providers, or any other third parties.
14. Use AeroAPI or the AeroAPI Data (including historical data) to substantiate claims received directly from passengers in regard to passenger claims or actions against air carriers, for example actions pursuant to EU Regulation 261/2004, the United Kingdom’s APR, Canada’s APPR, and other similar regulations.
15. With the exception of [FlightAware’s proprietary API](#), including AeroAPI (this product), access AeroAPI with any program, collection agent, or “robot” for the purpose of automated retrieval or display of content.
16. Use or permit any third party to use AeroAPI, AeroAPI Data, Derivative Works, or any analyses, models, or other outputs derived from the AeroAPI Data or Derivative Works, in connection with any betting, wagering, gambling, prediction market, event contract, or similar platform or product that enables participants to place, trade, or settle positions based on the occurrence or outcome of future events. Any such use constitutes a material breach of this Agreement.

AeroAPI® Personal License Agreement

Ownership and Use of Data Services. Licensee agrees that AeroAPI Data, the AeroAPI API, and all associated documentation are owned by and shall remain the exclusive property of FlightAware. No rights are granted or conveyed by FlightAware other than as expressly stated in this Agreement, and nothing in this Agreement will be deemed to otherwise grant a party any license, sublicense, copyright interest, proprietary right, or other claim against or interest in the other party's copyrights, patents, trade secrets, or other intellectual property. Licensee agrees that all FlightAware data provided or available to Licensee or Licensee Users through AeroAPI is owned either by FlightAware or by FlightAware' third-party data providers, and that Licensee does not and shall not acquire any ownership or interest whatsoever in such data.
